Hi Keri,

I hope all went well this morning. Everyone has the same email convention firstname.lastname@state.ma.us (it is not case sensitive)

Della.saunders@state.ma.us

Michael.lawler@state.ma.us

I don't remember who else was on the committee...Peter Piro? Elisabeth O'Brien?

Julie

Hi Julie,

I had my interview this morning for the chemist I position in the drug lab and was hoping I could get Della's email address. I wanted to send her and the other chemists a follow up/thank you email, since they are in a time crunch to hire, otherwise I would have mailed the letter.

Thank you!
